

Sydney Accommodation 2025 B14 World Championship

The eastern suburbs of Sydney are popular during summer so we recommend that you arrange your accommodation ASAP. Following is a list of 2, 3 and 4 star hotels with indicative rates for nights between 2nd and 10th January. There are more hotels in the city and in the suburbs to the south of Bondi. Cheaper accommodation can be found at backpacker hostels in Bondi and Kings Cross and YHA Sydney Harbour; also many properties at Airbnb.

Woollahra Sailing Club (WSC) is accessible by ferry and by bus from the city and Bondi. Car-parking is available around WSC but very hard to find around Bondi Beach. Several of the hotels below do **not** provide car-parking and some offer special rates at nearby parking stations.

Also listed: **Lane Cove Holiday Park**, cabins, caravan and camping sites in unique bushland setting of Lane Cove National Park (20 minutes by car to city, 40 minutes by train).
